Privacy Policy

Kinsey Computers cc T/A Easy Systems, here after referred to as Easy Systems, is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. This Statement of Privacy applies to the Easy Systems Website and governs data collection and usage. By using the Easy Systems Website, you consent to the data practices described in this statement.

COLLECTION OF YOUR PERSONAL INFORMATION

Easy Systems collects personally identifiable information, such as your e-mail address, name, home or work address or telephone number.

There is also information about your computer hardware and software that is automatically collected by Easy Systems. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used by Easy Systems for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Easy Systems Website.

Please keep in mind that if you directly disclose personally identifiable information or personally sensitive data through Easy Systems public message boards, this information may be collected and used by others. Note: Easy Systems does not read any of your private online communications. Easy Systems encourages you to review the privacy statements of Websites you choose to link to from Easy Systems so that you can understand how those websites collect, use, and share your information.

Easy Systems is not responsible for the privacy statements or other content on websites outside of the Easy Systems and Easy Systems family of websites.

USE OF YOUR PERSONAL INFORMATION

Easy Systems collects and uses your personal information to operate the Easy Systems Website and deliver the services you have requested. Easy Systems also uses your personally identifiable information to inform you of other products or services available from Easy Systems and its affiliates.

Easy Systems does not sell, rent, or lease its customer lists to third parties. In addition, Easy Systems may share data with trusted partners to help us perform statistical analysis, send you email or postal mail, or provide customer support. All such third parties are prohibited from using your personal information except to provide these services to Easy Systems, and they are required to maintain the confidentiality of your information.

Easy Systems does not use or disclose sensitive personal information, such as race, religion, or political affiliations, without your explicit consent.

Easy Systems Websites will disclose your personal information, without notice, only if required to do so by law or in the good-faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Easy Systems or the site; (b) protect and defend the rights or property of Easy Systems; and, (c) act under exigent circumstances to protect the personal safety of users of Easy Systems, or the public.

USE OF COOKIES

The Easy Systems Website uses “cookies” to help you personalise your online experience. A cookie is a text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you. One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the Easy Systems services or Websites you visit.

SECURITY OF YOUR PERSONAL INFORMATION

Easy Systems secures your personal information from unauthorised access, use or disclosure. Easy Systems secures the personally identifiable information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use or disclosure.

CHANGES TO THIS STATEMENT

Easy Systems will occasionally update this Statement of Privacy to reflect company and customer feedback. Easy Systems encourages you to periodically review this Statement to be informed of how Easy Systems is protecting your information.

CONTACT INFORMATION

Easy Systems welcomes your comments regarding this Statement of Privacy. If you believe that Easy Systems has not adhered to this Statement, please contact Easy Systems. We will use commercially reasonable efforts to promptly determine and remedy the problem.
